

INTRODUCING  
**THE TEC<sup>®</sup> CHEROKEE<sup>™</sup> FR**

**THE ONLY 100% INFRARED PORTABLE GAS GRILL**

**Take the world's best infrared gas grill  
on your next adventure!**

The Cherokee<sup>™</sup> FR makes TEC's super moist, charbroil taste more affordable than ever! Now you can enjoy the same state-of-the-art infrared technology found in our full size grills in a high performance portable. Designed to be used with a 16.4 oz. disposable LP cylinder (regulator included) or a 20 lb LP cylinder (regulator sold separately), the Cherokee<sup>™</sup> FR is ideal for home and patio use including attached living areas where large gas tanks and charcoal are prohibited. And just like our larger grills, the Cherokee<sup>™</sup> FR is proudly made in America.

# THE NEW CHEROKEE™ FR

CARRY IT WITH YOU OR USE IT ON YOUR PATIO.

The Cherokee™ FR is small and light enough to travel with you anywhere - on your next hunting or fishing trip, picnicking at the beach or tailgating with your family at the game. This beautiful, lightweight grill provides one-half the grilling surface of our two burner full size models in a smaller, less expensive cabinet and uses the same 100% infrared technology. And just like our larger grills, the Cherokee™ FR is proudly made in America.

## Cherokee™ FR Specifications:

- 192 Square Inch Cooking Surface
- 13,000 BTU/hr - LP
- Uses 16.4 oz. Disposable LP Cylinder (Regulator included)

## TEC's New Patented Grilling System:

- 100% stainless steel burner heads are ultra-tough and built to last.
- Cooks with 100% infrared energy, greatly reducing moisture loss and shrinkage.
- Provides uniform distribution of heat across the grilling surface - no hot or cold spots.
- Is virtually flare proof.
- Has an unprecedented range of cooking intensity - slow cooks as well as sears.
- Employs a radiant glass panel that vaporizes all food drippings and marinades, maximizing the outdoor charbroil flavor.
- Is the most fuel efficient portable on the market, allowing for more grilling time between tank changes.
